

PRAYERS OF THE FAITHFUL

We pray for Pope Francis, that he may continue to provide hope and leadership to Christians across the world during these turbulent times.

Lord hear us

We pray that the expected second wave of Covid 19 will not have the anticipated impact, that it is managed sensitively focusing on the more vulnerable in our society, we pray that our healthcare staff will have the resilience to cope with the pressures of a resurgence of the virus.

Lord hear us

As children in our parish schools as they embark on a new term, we pray that they have a positive learning experience with Christian values at its centre.

Lord hear us

We pray for the populations of Belarus and North America- that the authorities there allow a fair democratic process to take place and end the current civil unrest & police brutality.

Lord hear us

We pray for our planet, that mindful decisions are made by those with the power to protect it for future generations so they may experience its beauty.

Lord hear us

We pray for the dead and for those of us who remember them fondly, that they may be granted eternal rest.
